Anglia Ruskin University Library
Information and Digital Literacy Strategy: Operational Framework 2016-2017

We support the implementation of our University’s Learning, Teaching & Assessment strategy 2015-2017 through excellent library and learning resources, support for teaching and development of information and digital literacies. The operational framework maps University Library actions to owners: Academic Services Division (ASD), Customer Services Division (CSD), Central Services Division (Cen)

<table>
